

# Make like Meena and take your very own elephant finger puppets to the stage!

## Instructions:

1. Print your pattern, trim around the edges and colour in.  
Elephants are grey but your puppets can be any colour you want!
2. Roll the legs into a tube on your index finger and glue the folded edges together
3. Fold the eyes of the elephant's head inwards and glue together below the trunk.
4. It's time to bring your elephant together! Pop the head on your third finger and one of each of the legs on your index finger and ring finger.

Viola, you have your elephant;  
she's ready to sing and shine!
